

## Four Ashes, Stretton

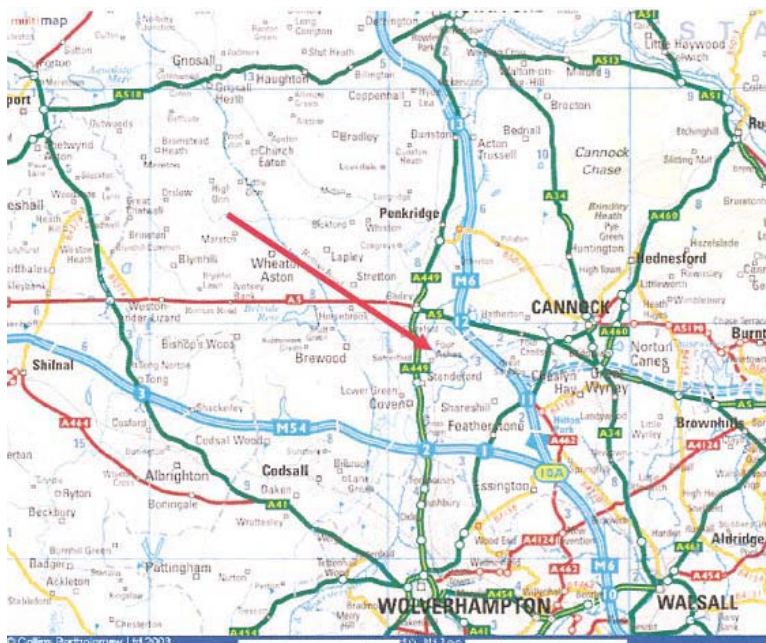

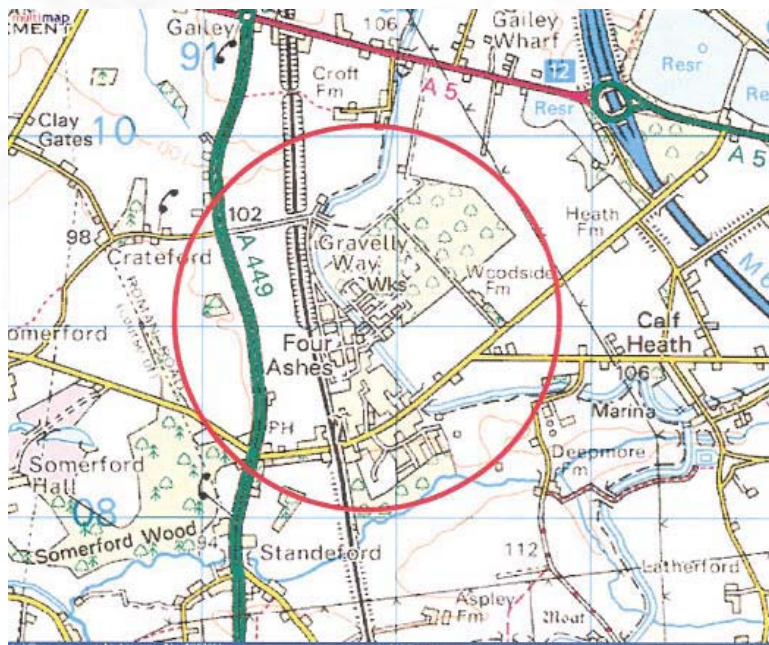

### Location

Junction 12 M6, West Midlands

### Client

Kilbride Stretton Ltd

Kilbride Group is promoting a 400 acre site near Junction 12 of the M6 as a Strategic Rail Freight interchange (SRFI), where it is proposing to develop a large intermodal rail terminal with approximately 5m sq ft of associated B8 warehousing.

The site has excellent road access to the M6 just north of Birmingham and is also located on the West Coast Main Line allowing access for full size 9'6" containers.
